

## Activity Sessions - Job description

### About Treth

Treth is a community-led coastal environment project bringing people together to improve beaches, coastal paths and seabird habitats through practical environmental action, creative engagement and local learning.

The project responds to growing concern around coastal pollution, litter, habitat loss and the impact of environmental change on seabirds and marine ecosystems. Participants will engage in nature-based activities that improve local coastal spaces while building confidence, environmental knowledge and stronger community connections.

### Terms

July to September 2026

£80 per session

Application Deadline: Midnight 31 May 2026 | Interviews: 8th & 9th June 2026

Based remotely with occasional days in the Office in Penryn

### Project Aim

To connect local people with Cornwall's coastal environment through practical action, creative activity and environmental learning.

### Project Objectives

#### 1. Environmental Improvement

- Improve beach and coastal habitats for seabirds
- Reduce litter, plastics and harmful debris
- Support safer nesting conditions for ground-nesting birds

#### 2. Community Participation

- Engage people experiencing social or economic disadvantage
- Increase access to environmental activity
- Build community ownership of local coastline

### 3. Education & Awareness

- Increase understanding of coastal ecology and seabird protection
- Develop practical knowledge around conservation behaviours
- Share learning through creative storytelling and documentation

### 4. Legacy & Advocacy

- Produce a short mini-documentary
  - Inspire wider audiences to take action locally
  - Create a scalable pilot model for future funding
- 

## **Role Overview**

The Treth Activity session will deliver engaging, inclusive and practical sessions as part of the wider Treth programme. Reporting to and working with the Programme Leader and Mor Media Team, you may support environmental, creative or community-based workshops and outdoor activities.

The role is ideal for someone with experience working with groups, facilitating participation and creating welcoming spaces for people of different ages and backgrounds. Have excellent subject knowledge and a strong interest in making a difference to our environment.

---

## **Key Responsibilities**

- Deliver safe, inclusive and engaging activity sessions
  - Support participants to take part confidently and actively
  - Work collaboratively with the Treth Programme Lead and wider team
  - Ensure sessions are well organised and run to schedule
  - Support safeguarding, accessibility and participant wellbeing
  - Provide brief feedback following sessions where required
- 

## **Essential Skills and Experience**

- Experience leading workshops, activities or community sessions
  - Strong communication and group facilitation skills
  - Ability to engage people of different ages and backgrounds
  - Reliable, organised and approachable
  - Interest in community, nature or creative engagement
  - Excellent subject knowledge
- 

## **Desirable Experience**

- Experience working outdoors or within environmental projects
- Experience supporting community or wellbeing activity
- Knowledge of Cornwall communities or coastal environments

---

## Personal Qualities

- Friendly and encouraging
  - Flexible and adaptable
  - Calm and confident working with groups
  - Passionate about community participation
- 

## How to Apply

Applications should be received via our online form only

- <https://forms.gle/wuSqAmY5ASYVfmNg5>
- A brief statement outlining your relevant experience and interest in the role
- Examples of similar work or projects, if available

Application Deadline: Midnight 31 May 2026

Interviews: 8th & 9th June 2026

The Treth project is made possible with the support of the The National Lottery Community Fund.
